

Patches...What You Need to Know

Patches are purchased to put on the student's letter jacket, or just for a keepsake. There are different kinds, they are ordered different ways, and some can only be ordered by the directors. I hope this guide helps.

Letter Patches (The big script F) - These are earned using a point system from the directors and are given at the awards banquet. The form can be downloaded at: <https://www.fishersband.org/wp-content/uploads/2014/06/Varsity-Letters1.pdf>

Number Patches (Year of Graduation) - these can be purchased from the FHS Athletic Office. Tell them the graduation year and that your child is a band student. Phone number: 317-915-4296

FHS and Show Patches - these can be purchased from the Booster patch chairperson, Michelle Thomas. A new form will be available very soon and will be put on the website as well as be in the weekly newsletter.

Band of America Patches - These can be purchased from the BOA event and are purchased on your own. They have several to choose from, including the individual instruments, city of event, and the event itself. These are also available online (with shipping charges) if you missed the event. The "Finalist" or "Semi-Finalist" bars are sent to the directors by BOA and are distributed by them. These are not available for purchase.

ISSMA Patches – These can only be purchased by the band directors from ISSMA. In May of this year, we placed a single order for Marching Band, Solo/Ensemble, and Wind Ensemble. We will place another order for these in the spring. ISSMA patches are only for state qualifiers.
