

Fishers Marching Band Handbook

Congratulations! You have chosen to be a part of the 2020 Fishers High School Marching TIGER Band! In this handbook you will find all the information for the Fishers High School TIGER Band.

The Fishers band program embodies the vision, mission, and core purpose set forth by Fishers High School. Fishers High School education community will nurture a culture of excellence and empower students to become lifelong learners. Our mission is to promote respect, foster pride, and inspire excellence. Our core purpose is to prepare lifelong learners who positively impact an ever-changing world.

Registration

All those interested in doing the 2021 Fishers marching TIGER Band MUST register online whether you are a veteran or are new. We will no longer assume you're marching based on previous enrollment. This will allow us to prepare for uniforms, food, transportation and drill numbers. Also NEW this year - additional family members will be discounted by \$100.

Membership

The TIGER Band contains three main groups: winds, color guard, and percussion. In unison they comprise the TIGER band. This ensemble will play for all home football games and competitions as set on the band calendar, which is found at [Fishersband.org/calendar/](https://fishersband.org/calendar/)

Membership Ineligibility

A student may be placed on the ineligible list due to outstanding balance from the previous season, due to recommendation of the director and/or staff for contract violations occurring from the previous season or due to infractions of the Fishers High School Dean's Office.

Academic Standards

Any student who does not obtain a 2.0 GPA during the season will be placed on academic probation. This is to protect the integrity of our program and to help students understand that a good education is paramount to your success in life.

Cut-Time and Remind

Cut-Time will be used by this ensemble to help send informational messages as well as music and videos. All members will be automatically added to Cut-Time upon registering for the ensemble. Remind is a great tool and we send information through this frequently! We will use section reminds (Brass, Percussion, Woodwinds, Guard and even a parent remind.) PARENTS **PLEASE** do not sign up for section reminds as each groups has a participant limit. When we send messages we WILL send you the exact same message we send the kids.

Fundraising - Student Account

Please visit the Fishers Band website for fundraising opportunities including Snap Raise, SCRIP, Connor Prairie and Lucas Oil Stadium Concession opportunities, and Trash Bag Sales.

Fundraising – General Account

We may host fundraisers during the year to go to the general account. These may include but not limited to, Bake Sales, Car Washes, Online Sales, and so on. These are in place to help keep the individual membership fees as low as possible. All students are expected to participate.

Attendance

Attendance to all rehearsals and performances is MANDATORY due to the accelerated pace of the program. All conflicts must be shared with the Director prior to the start of the season.

The director reserves the right to make minimal changes to the existing schedule, provided they supply adequate notice to all members. Mostly these changes are due to facility or accommodation changes.

If a student misses a rehearsal for ANY reason, it is the responsibility of the student to learn what was missed outside of normal rehearsal hours by working with a captain or veteran member in the student's own section. Failure to do so could result in a change in the student's allowance to perform.

Excused Absences

Excused absences include, but are not limited to contagious illness or fever, major family events, or religious obligations. The director will determine the validity of all excused absences.

Unexcused absences include, but are not limited to work, practice for other activities (unless pre-approved by Director), professional concerts/plays, routine doctor appointments, vacations, lack of transportation, or homework. ALL unexcused absences will be reflected in the student's allowance to perform, and repeat violations could lead to dismissal from the group. If a student is unexcused from the rehearsal the day of a performance, the student may or may not be permitted to perform that day.

Tardiness

If a student is running late to rehearsal, then it is the responsibility of the student to contact a section leader AND director. Repeat violations will be reflected in the student's allowance to perform and could lead to dismissal from the group.

Illness

If a student is absent from school due to illness, they will not be expected to attend rehearsal. HOWEVER, to be granted an excused absence, the parent or guardian needs to email or call the director prior to the missed rehearsal. If student misses more than one rehearsal in a row due to illness, a doctor's note will be required. If a student is not contagious or running a fever, they are highly encouraged to come to rehearsal to watch and take notes.

HSE District Policy: Students who are absent all day, due to illness, may not attend an extracurricular activity that day. If extenuating school or family circumstances result in a student's failure to be present the required four completed periods, an exception can be made. Communication is the key. We understand that emergencies happen. Please contact the director immediately about potential absences, illness, and injury.

REHEARSALS

Rehearsal Etiquette

Always show respect for all staff, leaders, and teammates.

Be on time (5minutes early is ten minutes late), NO cell phones during rehearsal, come hydrated, bring water, refrain from talking, follow your section leader and staff, improve every second of rehearsal. Should a student demonstrate on a regular basis that he or she does not subscribe to the proper conduct at a rehearsal, the directors reserves the right to evaluate the student's membership eligibility, and to make a decision as to whether the student should perform in upcoming shows. The directors also reserves the right to send such a student home from rehearsal and request a parent/student conference to determine future course of action.

Rehearsal Attire

All students are required to wear appropriate athletic clothes and athletic shoes during rehearsal. Please use common sense in regards to the weather. On the Thursday rehearsals of each week members of both groups will be asked to wear all black. On the Friday football game days, students will wear the RED Parade/FHS Band shirts. If a student is in violation of the appropriate dress code, they will be asked to call home for the appropriate apparel. If a student is in continued violation, the student will be asked to leave rehearsal.

Conditioning

It is important to note that marching band is a physical activity. There is a great demand placed on a student to be able to march and perform a complete show. It is the belief of the staff that there should be some proper conditioning on the part of the students, in order to facilitate a strong personal performance and to prevent injury. Calisthenics, stretching, and running will be reinforced at rehearsal.

Equipment

It is the responsibility of the student to take care of the equipment. Lost or excessively damaged equipment will be the student's responsibility to replace. Never slam equipment into other instruments or the doors and walls. Do not sit or lay on equipment. For safety reasons, never let members from other sections use your equipment.

To check out school owned equipment (brass, woodwind, drums or mallet instruments), you will need to check out it out with the director. Students will be responsible for lost or broken equipment on an individual basis. Students using a school instrument will be assessed a rental fee for the season.

PERFORMANCES

Trip Etiquette

Please remember you are representing Fishers High School. Be respectful of other groups, each other, and applaud for each performance. Do not talk disrespectfully about any group as you never know who is sitting or standing around you.

- Always follow instructions from directors, staff, and chaperones.
- No photos or videos will be taken on the bus.
- We are ambassadors of the HSE School District, Fishers High School, and the Fishers Band Program. Always conduct yourself appropriately and absolutely NO public displays of affection or inappropriate language.

After performances, we will sit in the stands together. The buddy system will be used if going to concessions and the restroom.

Uniform

Students will wear uniforms while at shows. This includes either the show shirt or a Fishers shirt, jacket and pants. If you change into your uniform early, Guard might wear warm up (jacket zipped) OVER your uniform.

- Hair and makeup designs will be determined by directors. All students must comply with the look to the best of their ability for the purpose of uniformity.
- If a student colors their hair, please keep it a natural color. Extreme colors are prohibited.
- NO jewelry will be worn while in uniform.
- Do not eat or drink anything other than water in uniform.

Buses

Respect chaperones, bus drivers, and event personal just as you do the staff.

- All HSE district bus rules apply.
- Buses will be clean at the end of the trip. Remember the Golden Rule: Pick up trash.... even if it's not yours.
- All students are required to ride the bus to competition. If a student would like to ride home with their parents, then a handwritten note must be given to the Director who will inform the head chaperone PRIOR to leaving for the performance. A chaperone must see a student leaving with THEIR OWN parent/guardian. Students may not leave with someone else's parent even if consent is given. The only exception will be those students carpooling to another school event. It will be the responsibility of the student leaving to make sure their equipment and uniform make it back to the school the day of the performance.

Communication

Almost 100% of communication will be through newsletters, Remind 101 and Cut-Time. BOTH parents and students are expected to check for information on a daily basis. The official Calendar is the band website calendar.
